

What is TaxDome and Why Should I Use It?

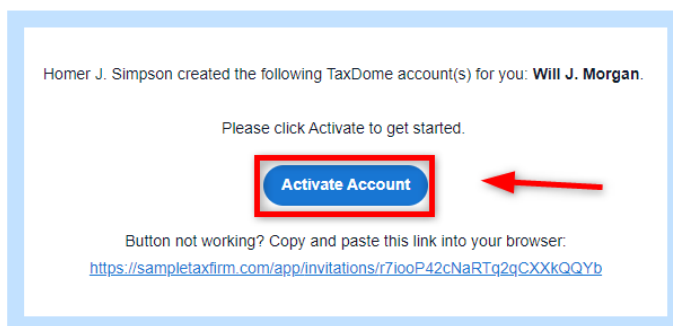

TaxDome is a software solution that helps ease the communication between us and our clients. Here's why we use it:

- Secure, intuitive client portal that is user-friendly even to those who aren't tech savvy.
- Everything in one place: you can electronically sign documents, settle invoices, complete organizers, sign contracts without going to multiple websites all from the comfort of your mobile phone or computer
- Secure exchange of information & safety of your personal data.

How to Start

Step 1. Activate Account

Open the invitation email and click on the **Activate Account** button. Then create your password. Enter it twice to confirm, then click **SUBMIT**.

TaxDome provides an easy to use solution for accounting firms & their clients to exchange documents, pay invoices, provide electronic signatures, and more.
